EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas E. Brown (44,450) on 17 August 2007.

2. Please amend the application as follows:

In claim 1, line 10, change "and end closed positions" to -- and closed positions --.

In claim 7, line 13, change "and end closed positions" to -- and closed positions --.

In claim 13, line 15, change "and end closed positions" to -- and closed positions --.

In claim 15, line 15, change "and end closed positions" to -- and closed positions --.

In claim 4, line 14, change "wherein said recess is surrounded" to -- wherein said contact section is disposed in a recess surrounded --.

[The changes to claims 1, 7, 13, and 15 are for correcting typos. The change to claim 4 is to correct the lack of antecedent basis for "said recess" in the claim.]

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 3, 4, 7, 9, 13, and 15, it appears that Suzuki's (U.S. 7,139,414) contact section 6 is disposed in a recess. See figure 4, which shows that the contact

Art Unit: 2624

section 6 lies in a small recess such that its topmost portion is flush with the cover 7. However, it does not appear that Suzuki's recess is "surrounded by an inclined portion" and that "one free end of the cover is adjacent to said inclined portion when [the cover] is in the closed position," as claimed. For this reason, claims 1, 3, 4, 7, 9, 13, and 15 are distinguished from Suzuki.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
